

Marathon Oil Company

Richard Bedell **Louisiana Refining Division Manager**

Mr. Bedell has over 30 years of experience in the refining industry in areas that include refinery operations, engineering, product control and crude oil supply. He is currently the refinery manager at Marathon's Garyville, Louisiana, facility. He has also served as the refinery manager in Marathon's Texas City, Texas, and Robinson, Illinois, refineries.

Bedell earned a bachelor's degree in Chemical Engineering from Lehigh University, a master's degree in Petroleum Engineering from the University of Houston and attended the Stanford University Executive Program.

He serves on the boards of the Louisiana Mid Continent Oil and Gas Association, Greater Baton Rouge Industrial Alliance, LSU Chemical Engineering Advisory Board, San Francisco Plantation Foundation, River Parishes Hospital Board of Governors and the Louisiana Technical College Regional Advisory Board.
