(Amended and Restated Effective December 11, 2018)

Statement of Purpose

The Audit and Finance Committee (the “Committee”) is a standing committee of the Board of Directors (the “Board”) of Marathon Oil Corporation (the “Company”). The purpose of the Committee is to assist the Board in fulfilling its oversight responsibilities relating to (i) the integrity of the Company’s financial statements and financial reporting process and the Company’s systems of internal accounting and financial controls, (ii) the engagement of the independent auditor and the evaluation of the independent auditor’s qualifications, independence and performance, (iii) the performance of the internal audit function, (iv) the annual independent audit of the Company’s financial statements, (v) reviewing codes of conduct and compliance process reports, (vi) the compliance by the Company with legal and regulatory requirements, (vii) the Company’s risk management process, and (viii) the fulfillment of the other responsibilities set forth herein. The Committee also has the purpose of preparing the audit committee report that the rules and regulations of the Securities and Exchange Commission (the “SEC”) require the Company to include in its annual meeting proxy statement.

Each member of the Committee is entitled to rely on the integrity of those persons within the Company and from the professionals and experts from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Authority

The Committee has authority to conduct or authorize investigations into any matters within the scope of its responsibility. The Committee shall have full authority (i) to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company, (ii) to select, retain (including approval of the fees and terms of the engagement), oversee and terminate outside legal, accounting or other consultants (collectively, “Outside Advisors”) to advise the Committee, and (iii) to request any director, officer or employee of the Company, the Company’s outside counsel, inside counsel, independent auditors or internal auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Company shall provide appropriate funding, as determined by the Committee, for payment of fees and expenses to any Outside Advisors retained by the Committee.

Membership

The Committee shall be comprised of not less than three nor more than six members. The Board will designate a member of the Committee as the chairperson of the Committee. Each member of the Committee shall be a member of the Board and shall be determined

by the Board to be independent, as defined and to the extent required under applicable SEC rules, New York Stock Exchange Listing Standards, and the Company's Corporate Governance Principles. Each member of the Committee shall be financially literate as determined by the Board in accordance with stock exchange listing standards or must become financially literate within a reasonable period of time after his or her appointment to the Committee. At all times, there shall be at least one member of the Committee determined by the Board to be an "audit committee financial expert," as defined by SEC rules. Subject to the requirements of applicable listing standards, the Board may appoint and remove Committee members in accordance with the Company's By-laws.

No director who serves on the audit committees of more than two other public companies may serve on the Committee, unless the Board determines that such simultaneous service will not impair the ability of such director to effectively serve on the Committee, and any such determination must be disclosed as required under applicable SEC rules and stock exchange listing standards. Except in any such member's capacity as a member of the Committee, the Board, or any other Board committee, no member shall accept any consulting, advisory, or other compensatory fee from the Company, or be an affiliated person of the Company or any subsidiary thereof.

Meetings

The Committee will meet at least quarterly. All Committee members are expected to attend each meeting, in person or via teleconference. The Committee may invite members of management, auditors, or others to attend meetings and provide pertinent information, as necessary. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes of each meeting will be prepared. If requested by any member of the Committee, time shall be allotted for an executive session of Committee members only and any executives or outside advisors they might want to invite.

Quorum

A majority of the total number of Committee members then in office shall constitute a quorum for the transaction of business at any meeting. All matters shall be decided by the affirmative vote of a majority of members present in person or via teleconference at a meeting duly called and held. The Committee may take action by the unanimous written consent of the members in lieu of a meeting.
